

## 20061121 FUNDRAISING G BIZOS BURSARY DINNER SAHETI GGREEK TRANSLATION

Ladies and gentlemen

What I want to emphasize tonight is that our purpose is not to raise funds for SAHETI

The SAHETI School survived thanks to the many, named and anonymous donors, including you.

SAHETI, as a continuation of these ideals, aims to educate the young people of our South African community who wish to be at SAHETI in Greek

### WE HAVE A DUTY TO DEVELOP THIS IDEA OF PARTICIPATION IN OUR CULTURE AND OUR CULTURE

Remember this, that by selecting worthy children, capable children, talented children, who, if we do not help them, will be prevented from coming to SACHETI

The whole School benefits by absorbing the greatest talent.

This action of ours keeps the standards and ideals of Hellenism high.

The point tonight is to open our hearts to a great effort to help someone study

Let each one give what he has

He says in his heart without being distressed or forced, because God loves a cheerful giver. 2 CORINTHIANS 9:7
